

Standard Lighting Application

Does your facility qualify?

- Non-residential facility
- Electric projects: electric delivery service rate DS2, DS3, DS4, DS5, or DS6 and Energy Efficiency Programs Charge on Ameren Illinois electric bill for the service point corresponding to the electric project. DS5 accounts should discuss with Ameren Illinois representatives prior to starting. DS1 customers with a farm on the premise may use this application for farm buildings and remote equipment (i.e. equipment that is not within or attached to the residence).

Does your project qualify?

- Replacing existing in-service (working) equipment with new, energy efficient equipment
- New equipment meets eligibility guidelines as specified in this application
- Estimated project completion date is by December 31, 2024

What you should know before beginning:

- Preapproval is **required** for ALL Standard Application projects requesting more than \$10,000 of incentive money. Do not purchase (including generating purchase orders) new equipment until receiving a pre-approval letter.
- Multiple incentive applications less than \$10,000 at the same facility within 120 days of each other will not be accepted. Phased projects requesting less than \$10,000 may submit separate applications when completion dates are at least 120 days apart.
- Stockpiles of equipment are not allowed: all equipment must be installed and operational.
- Purchases already discounted by participating retailers, including the Ameren Illinois Online Store and the Instant Incentives Offering, are not eligible.
- Projects must be completed within 120 days of equipment purchase date.
- Final application paperwork is due within 30 days of project completion **or by December 31, 2024 whichever comes first.**
- Incentive applications are capped at the project cost, which includes the costs of material and external labor (internal labor is not considered).
- Application paperwork can be submitted via email or hard copy. Emails that include "zip" files or web links cannot be received. You will receive a confirmation email within two business days of submitting an application; please contact us if you do not receive a confirmation email.
- Measures must be (1) self-installed by an employee of the Ameren Illinois customer listed on this application, or (2) installed by an Illinois Commerce Commission-approved Certified Installer to qualify for an incentive. Certification of the self-installation or evidence of installation by a Certified Installer will be required. A complete list of Certified Installers can be found at www.icc.illinois.gov/emdb/ucdb/search by choosing Authority Type, 'Energy Efficiency Installers.'
- Please save a copy of this form to your computer and use Adobe Acrobat to complete the document. Most browsers (Chrome, Internet Explorer, Safari) do not auto-fill calculations**

Participation instructions:

- **Step One:** Determine if your project requires pre-approval. If the total incentive request is over \$10,000, pre-approval is **required**.
- **Step Two, Track A:** If pre-approval is required, submit the application for pre-approval and do not purchase any material or generate purchase orders until a pre-approval letter is issued. You will be notified if a pre-inspection is required.
- **Step Two, Track B:** If pre-approval is not necessary, an application for "funds reserved" may be submitted, or the project may begin.
- **Step Three:** As soon as your project is completed, submit a completed Incentive Payment Request Form and all supporting documentation requested (or entire application, if not previously submitted). Final Application paperwork is reviewed, if approved your incentive will be paid within 60 days of approval.
- **Step Four:** Program staff may conduct a post installation verification inspection upon receiving final application paperwork.

*Detailed, step-by-step instructions, FAQs, and other helpful information are available in the Application Guide (<https://amerenillinoisavings.com/business-forms-library/>).

Instant Incentives:

Select lighting equipment is not eligible for this application, but may be purchased at a discount from participating distributors through the Instant Incentives Offering. Visit [AmerenIllinoisSavings.com/instant](https://amerenillinoisavings.com/instant) for details.

- LED bulbs replacing existing screw-based or pin-based bulbs
- LED recessed can fixtures and trim kits
- LED linear lamps utilizing fluorescent sockets

Newer versions posted to the Ameren Illinois Energy Efficiency Program website supersede all previous versions. The revision number is listed in the footer of each page. If you received pre-approval, the version of the application that was available at the time you submitted your pre-approval application will apply. If you did not obtain pre-approval, the version of the application that corresponds with the purchase dates of your equipment will apply.

Standard Lighting Application

Lighting Controls

Standard Controls Eligibility:

- Hard-wired, new installations only; replacement sensors are not eligible
- Existing (baseline) controls must be manual on-off or no control
- Controls for exterior spaces must include daylighting in addition to occupancy control
- Controls for new construction, including substantial renovation affecting two or more building systems, must use the New Construction application
- Vacancy controls qualify under this incentive as occupancy controls

Description	Mounting Location		Total Watts Controlled (A)	Measure	Incentive per Unit (B)	Total Incentive (A) X (B)
Occupancy Controls	Fixture Mount	Interior Exterior		BPL72	\$0.20/watt controlled	\$
	Remote Mount	Interior Exterior		BPL73		
	Wall Switch Mount	Interior Exterior		BPL74		
Occupancy Plus Daylight Controls (Interior Only)	Any			BPL30	\$0.25/watt controlled	\$

Cooler/Freezer Controls Eligibility:

- Must reduce lighting hours by 30% or more
- Each sensor must control at least 70W

Description	Mounting Location	Watts Controlled per Sensor	Sensor Quantity (A)	Measure	Incentive per Unit (B)	Total Incentive (A) X (B)
Cooler/Freezer LED Controls	Wall, Ceiling or Case Mounted			BPL94	\$12/control	\$

Networked Lighting Controls (NLC) Eligibility:

- New installations only; not to replace existing networked lighting controls
- Garage/covered parking areas and grow/greenhouse spaces are not eligible for this measure, but may apply using the Custom application
- Total Watts Controlled is the summed wattage of all LED light fixtures connected to the NLC system
- System must enable three or more control strategies
- System must be listed on the DLC Networked Lighting Controls Qualified Products List: www.designlights.org/lighting-controls/

Description	System Type	Implemented Control Strategies	Total Fixture Quantity	Total Watts Controlled (All Fixtures)	Measure	Incentive per Unit	Total Incentive
Networked Lighting Controls	Interior Non-LLLC installation (Single controller/sensor controls multiple luminaires)	Must include three: <input type="checkbox"/> Occupancy/Vacancy <input type="checkbox"/> Scheduling <input type="checkbox"/> High-end trim <input type="checkbox"/> Dimming <input type="checkbox"/> Daylighting			BPL32	\$0.50/watt controlled (capped at \$75/fixture)	\$
	Interior LLLC installation (Each luminaire has its own controller/sensors and DLC listing indicates LLLC)				BPL32	\$1.50/watt controlled (capped at \$75/fixture)	\$
	Exterior LLLC or non-LLLC installation (Garage/covered parking areas not eligible)	Must include: ✓ Occupancy and/or scheduling ✓ Daylight shutoff Plus one of: <input type="checkbox"/> High-end trim <input type="checkbox"/> Dimming <input type="checkbox"/> Daylighting			BPL32	\$0.50/watt controlled (capped at \$75/fixture)	\$

Standard Lighting Application

Permanent Lamp/Fixture Removal

Eligibility Criteria:

- Eligible only if no new fixtures or lamps are installed; permanent removal only
- Photos of modified fixtures may be requested from Customer at any time. Without photo documentation, Ameren Illinois reserves the right to deny incentives for these measures. Including before and after photos with your application may speed project approval
- Cannot be combined with incentive requests for lighting upgrades that are calculated on a "watts reduced" basis
- Current lamps must be operational and operating
- If you are removing multiple configurations of fixtures (e.g. different number of lamps, or different wattages), please attach a list with the quantity of fixtures, wattage per fixture, and the total wattage reduced for each configuration
- Lamps must be permanently removed from the fixture and the fixture must be modified so that lamps cannot be reinstalled at a later time - e.g. removing tombstones/sockets

Measure Code	Description	Quantity of Fixtures Permanently Removed (A)	Fixture Input Wattage* (B)	Total Watts Reduced (A) x (B) = (C)	Incentive Rate (D)	Total Incentive (C) x (D)
BPL68	Permanent fixture/lamp removal (linear fluorescent)				\$0.15/W reduced	\$
BPL69	Permanent fixture/lamp removal (other lighting types)				\$0.15/W reduced	\$
BPL68 + BPL69 (E)						\$
Equipment, recycling, and external labor costs for the permanent fixture removal						(F)
Attach invoice. Incentive will be capped at this amount. Internal labor costs cannot be included.						\$
Requested Incentive						\$
Lesser of (E) and (F)						

LED Open Signs

Eligibility Criteria:

- Cannot be combined with purchases from the Ameren Illinois Online Store or which are already discounted by participating retailers
- New sign must be LED
- LED Exit signs are available through the Instant Incentives offering: www.amerenillinoisavings.com/instant-incentives

Measure Code	Description	Existing Equipment Type	Quantity of Signs Replaced (A)	Incentive Rate (B)	Total Incentive (A) x (B)
BPL26	LED open sign replacing an existing neon-type sign			\$20/sign	\$

Please save file to computer and use Adobe Acrobat to open the document. Most browsers (Chrome, Internet Explorer, Safari) do not auto-fill calculations

TOTAL ESTIMATED LIGHTING INCENTIVE: Total of All Measures (A)	\$	
TOTAL PROJECT COST: (Total of project cost, including material cost and external labor cost) (B)	\$	
TOTAL LIGHTING INCENTIVE: (Lesser of (A) and (B))	\$

Standard Lighting Application

Terms and Conditions

1. DEFINITIONS: Capitalized terms used but not defined elsewhere herein shall have the following meanings:

- a) **"Ameren Illinois"** shall mean Ameren Illinois Company d/b/a Ameren Illinois.
- b) **"Application"** shall mean the Customer completed program application used to apply for the specific Ameren Illinois incentive, these Terms and Conditions, and any other supplemental documentation.
- c) **"Retro-commissioning"** shall mean those projects that are found on the *Large Facility, Industrial, Retro-commissioning Lite, or Compressed Air* applications
- d) **"Customer"** shall mean an Eligible Customer who has submitted an Application.
- e) **"Custom Initiative"** shall mean those projects that are not Standard, Retro-commissioning, or Streetlighting Initiatives. Projects that are found on *New Construction Lighting, Metering & Monitoring, and Feasibility Study* are also part of the Custom Initiative.
- f) **"EEM"** shall mean energy efficiency measures.
- g) **"Eligible Customer"** shall mean a non-residential electric and/or gas customer of Ameren Illinois that own and install a Qualifying EEM at the Facility corresponding to the Ameren Illinois account number. Each program application has different eligibility requirements for Delivery Service rates (DS# for electric, GDS# for gas) to be eligible for that program. Refer to the specific program application to determine if your business is eligible for that application.
- h) **"Facility"** shall mean a single premise that, in general, consists of a contiguous tract of land separated by nothing more than a street, alley, or railroad right-of-way, where all buildings and/or energy-consuming devices are owned by a single Customer.
- i) **"New Construction"** shall include construction of new buildings, change-of-use of existing buildings or land, additions to existing buildings, or when two or more building systems are renovated, such as shell and heating, heating and lighting, etc.
- j) **"Pre-approval"** shall mean written notification via a pre-approval letter to Customer that Ameren Illinois has reviewed Customer's Application and determined that the project meets the program eligibility requirements for a maximum pre-approved incentive amount if the project is completed by the estimated completion date and all final application paperwork is submitted and approved.
- k) **"Program Bonus"** shall mean any seasonal, temporary, or promotional additional incentive paid by Ameren Illinois to Customer.
- l) **"Qualifying Energy Efficiency Measures (EEMs)"** shall mean either (i) standard gas or electric EEMs (i.e., measures found on any of the Standard Initiative applications); or (ii) measures eligible under the Custom Initiative approved by Ameren Illinois; or (iii) measures found in the Streetlighting or Retro-commissioning Initiative as identified in official program materials found on the Ameren Illinois Energy Efficiency website. The following technologies are not Qualifying EEMs: (i) technologies that do not demonstrate measurable and verifiable energy savings, including power conditioning; (ii) technologies that displace electrical energy use or natural gas to another fuel (i.e. fuel switching); or (iii) renewable energy projects (solar, wind power, etc.). Eligible gas measures do not include propane or butane measures.
- m) **"Standard Initiative"** shall mean those projects associated with standard gas or electric EEMs. Standard Initiative includes the following: *Lighting (not New Construction Lighting), VFD, HVAC, Specialty Equipment, Equipment Installation, Smart Thermostat, Steam Trap and/or Leak Survey and Repair*. See the Ameren Illinois Energy Efficiency website for individual program applications (AmerenIllinoisSavings.com).
- n) **"Streetlighting Initiative"** shall mean those projects that are found on the *Ameren Illinois owned and Municipal-owned* streetlighting applications

2. PRE-APPROVAL, INSPECTIONS AND FINAL APPROVAL:

- a) For all projects, Ameren Illinois is not obligated to award any incentive payment unless an Application is submitted and Pre-approval is granted. Ameren Illinois will not pay incentives for any EEMs ordered or any purchase order generated prior to the date of the Pre-approval letter, unless the requested incentive is less than \$10,000 on any Standard Initiative Application. Pre-approval reserves incentive funds for a period up to the estimated completion date provided in the Pre-approval letter. After the estimated completion date, Ameren Illinois may revoke the Pre-approval letter and reserved incentive funds. Customer is responsible for ensuring that the project is completed by the estimated completion date, the Application is complete and accurate, and the project meets program eligibility requirements in order to receive final approval and the incentive payment.
- b) A pre-approval inspection and post-installation inspection of the project may be required before an incentive payment is made.
- c) Ameren Illinois reserves the right to request additional supporting documentation as deemed necessary to ensure program eligibility and verify that the expected energy savings will occur.

3. INCENTIVE PAYMENT AMOUNTS:

- a) Incentive caps are defined as follows:
 - i) Standard, Custom, Retro-Commissioning, and Streetlighting Applications: Electric incentives over \$500,000 are likely to be reduced from the full incentive rate based on available program budget. Gas incentives are capped at \$250,000 per project.
 - ii) New Construction Lighting, Feasibility Study, Leak Survey and Repair, Strategic Energy Monitoring, Small Business Direct Install, and Metering & Monitoring incentives are capped all capped at lower amounts. Please see individual program applications for further details.
- b) Ameren Illinois reserves the right to adjust the incentive amount, based upon its independent assessment of appropriate savings or cost estimates.
- c) Ameren Illinois will pay no more than the incentive amount in the Pre-approval letter.
- d) Ameren Illinois reserves the right to cap incentives at \$10,000 for Standard Initiatives that did not obtain Pre-approval.
- e) The sum of all Incentives and any applicable Program Bonuses for Standard Initiative, Custom Initiative, or Streetlighting Initiative will be capped at the project cost, which includes material cost and external labor cost. Internal labor cost is not considered in the project cost. Steam Trap Surveys are eligible for incentives when internal labor is used according to the Steam Trap Application.

4. MONITORING AND EVALUATION: Customer grants Ameren Illinois and any of its agents, the right to make follow-up visits, inspections, metering, data collection and/or surveys of the Customer's Facility during the 36 months following the completion date of the project to verify the installation and performance of the EEMs that were funded by incentives upon reasonable notice to Customer. If Customer removes the EEMs at any time or Customer ceases to be a delivery service customer of Ameren Illinois within 36 months after installation, Ameren Illinois shall be entitled to recover from Customer the total amount of incentive payments made plus interest.

5. CUSTOMER DATA: By submitting an Application, Customer understands and authorizes Ameren Illinois and its third party providers and agents to retain Customer's Application, and use, store and share the information contained in the Application, together with such data and documentation collected in connection with the project, for the program and its internal business purposes. Customer agrees that Ameren Illinois may share such information with the

Standard Lighting Application

Illinois Commerce Commission, or its contractors, who plan to evaluate my energy usage. Ameren Illinois may release aggregated, non-identifiable data to third parties for regulatory and non-regulatory purposes.

6. CUSTOMER SHALL PAY ALL TAXES: Incentive payments received by Customer or any third party payee designated by Customer on a Payment Release Authorization Form may be taxable by the federal, state, and local government. Customer is responsible for declaring and paying all such taxes, regardless of who receives the incentive.

7. REMOVAL OF EXISTING EQUIPMENT: Customer agrees, as a condition of participation in the program, to remove and dispose of any equipment being replaced by the EEMs in accordance with all applicable laws, rules, and regulations. Customer further agrees not to reinstall any replaced equipment or transfer it to any other party for installation in Illinois.

8. OWNERSHIP:

a) EEMs purchased and installed with incentives provided by this program, and all energy savings realized from the installation of such EEMs, are the property of Customer.

b) In consideration of the incentives provided by this program, Customer agrees that Ameren Illinois is entitled to all rights to any system capacity and environmental credits and attributes that may be associated with EEMs for which incentives from Ameren Illinois were received, and Customer waives, and agrees not to seek, any right to the same.

9. CHANGES OR CANCELLATION OF THE PROGRAM:

a) Ameren Illinois, in its sole discretion, may change any of the terms and conditions of the program, suspend acceptance of Applications, deny Applications already received and not yet pre-approved or terminate the program at any time without prior notice.

b) In the event of program change or cancellation, Applications that have been pre-approved will be processed to completion under the program requirements and Terms and Conditions in effect at the time of Pre-approval by Ameren Illinois.

c) Incentives under the program are offered on a first-come, first-served basis and are subject to project eligibility and the availability of funds.

10. LIMITATION OF LIABILITY AND INDEMNIFICATION:

a) AMEREN ILLINOIS' TOTAL LIABILITY TO CUSTOMER UNDER THESE TERMS AND CONDITIONS, OR ANY OTHER REQUIREMENT OF CUSTOMER'S APPLICATION OR CONDITION OF INCENTIVE AWARD SHALL BE LIMITED TO PAYMENT OF THE AMOUNT OF THE INCENTIVE PAYMENTS DUE TO CUSTOMER IN THE APPLICATION OR PRE-APPROVAL LETTER ACCORDING TO THE PROGRAM. AMEREN ILLINOIS, ITS PARENT, AFFILIATES AND SUBSIDIARIES, AND THEIR DIRECTORS, OFFICERS, EMPLOYEES, CONTRACTORS OR AGENTS SHALL NOT BE LIABLE TO THE CUSTOMER FOR THE CUSTOMER'S FAILURE TO ACHIEVE ANY RESULTS IN ENERGY SAVINGS; THE OPERATION OF THE CUSTOMER'S FACILITY; LOSS OF PROFITS OR REVENUE; LOSS OF USE OF CUSTOMER'S PROPERTY, EQUIPMENT OR POWER SYSTEM; INCREASED COSTS OF ANY KIND, INCLUDING BUT NOT LIMITED TO CAPITAL COST, FUEL COST AND COST OF PURCHASED OR REPLACEMENT POWER; OR ANY SPECIAL, INDIRECT, CONSEQUENTIAL OR INCIDENTAL DAMAGES WHATSOEVER IN CONNECTION WITH CUSTOMER'S APPLICATION, CUSTOMER'S PARTICIPATION IN THE PROGRAM, ANY EEMS INSTALLED AT CUSTOMER'S FACILITY OR ANY ACTIVITIES ASSOCIATED WITH THE PROJECT. *BY PARTICIPATING IN THE AMEREN ILLINOIS PROGRAM, CUSTOMER AGREES TO WAIVE ANY CLAIMS, EXCEPT AS PROVIDED IN THIS SECTION, AND FULLY RELEASES AMEREN ILLINOIS FROM ANY DAMAGES, OF ANY KIND ARISING OUT OF OR RELATED TO CUSTOMER'S APPLICATION AND ANY EEMS INSTALLED AT CUSTOMER'S FACILITY.*

b) Customer shall defend, indemnify, and hold harmless Ameren Illinois, its parent, affiliate and subsidiaries, and their representative directors, officers, employees, contractors and agents from and against all liabilities, losses, claims, damages, judgments, penalties, costs and expenses (including, without limitation, attorney's fees and expenses) from and against third party claims for injuries, including death, to any person, or for property damage, or for payment for goods or services arising out of or relating to Customer's Application or any EEMs installed at Customer's Facility.

11. NO WARRANTIES: Ameren Illinois and its parent, affiliates, employees, contractors and agents do not guarantee the energy savings, and do not make any representations or warranties of any kind, regarding the results to be achieved by the EEMs or the adequacy or safety of such measures. Ameren Illinois and its parent, affiliates, employees, contractors and agents do not endorse, guarantee, or warrant any particular manufacturer, contractor or product, and do not endorse or guarantee any claims, promises, work, or equipment made performed or furnished by any contractors or vendors that sell or install EEMs.

12. CHOICE OF LAW AND DISPUTES.

a) THESE TERMS AND CONDITIONS, OR ANY OTHER REQUIREMENT OF THE APPLICATION OR CONDITION OF INCENTIVE AWARD WILL BE GOVERNED IN ALL RESPECTS BY THE LAWS, STATUTES, AND REGULATIONS OF THE STATE OF ILLINOIS. AMEREN ILLINOIS AND CUSTOMER HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT EITHER SUCH PARTY MAY HAVE TO A TRIAL BY JURY OR TO INITIATE OR BECOME A PARTY TO ANY CLASS ACTION CLAIMS IN RESPECT OF ANY ACTION, SUIT OR PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS PROGRAM.

b) Customer agrees that any dispute arising out of or related the workmanship or performance of an EEM or the adequacy or safety or such measure shall be resolved solely between the Customer and the EEM contractor or equipment provider. **(Rev17)**

Standard Lighting Application

Documentation for Application Submission

For All Applications:

- Completed **Customer and Project Information** section (p. 2 of this Application)
- Completed **Incentive Calculation** section (beginning on p. 3 of this Application)
- Terms and Conditions Customer Acknowledgment**, below, signed by the Ameren Illinois customer, with the certification box checked.
- Manufacturer specification sheets** for equipment for which you are requesting incentives. Please circle or highlight the information showing the equipment meets eligibility requirements.
- Signed W-9 form** with Tax Identification Number associated with the Ameren Illinois customer. Incentives WILL NOT be paid until a completed and signed W-9 is received.

Supplemental Documentation:

- [Payment Release Authorization Form](#) is required if the incentive is to be paid to a party other than Customer.
- [Large Incentive Request Form](#) is required if the total requested incentive is over \$50,000.
- [Landlord Consent Form](#) is required if the Facility is under lease.

Missing a form? Visit [AmerenIllinoisSavings.com/forms](https://amerenillinoisavings.com/forms).

Additional Information for Projects Requiring Preapproval:

Upon receipt of the preapproval letter, Customer should immediately contact a program representative regarding any change to the project scope or timeline (including changes to equipment, project costs, projected energy savings or estimated completion date) to discuss how the change will impact your savings/incentive and the necessary steps required to request incentive changes.

- Made in Illinois Bonus** - Check this box and follow the instructions below.

1. Enter eligible equipment* (attach a list if additional space is needed)

Manufacturer	Model

2. Provide documentation of eligibility either with an equipment listing from the BuildingClean.org website showing that it was made in Illinois, or an affidavit from the manufacturer attesting that the equipment meets the criteria.

* *Equipment must be at least 50% manufactured and/or assembled in Illinois (exclusive of packaging and installation); product installation is not considered assembly. The project must be completed between Jan. 1 and Sept. 30, 2024. More info: <https://amerenillinoisavings.com/illinois/>*

Terms and Conditions Customer Acknowledgment

I certify that all information provided in this Application is correct and complete. I have read, understand and agree to the program requirements and the Terms and Conditions set forth in this Application, and I agree to abide by these requirements.

- By checking this box and signing below, I certify that I have authority to make these statements and submit this Application. **Applications will not be accepted as complete, unless this box is checked and all below fields are completed.**

Project Estimated Completion Date (mm/dd/yyyy) _____

Estimated Lead Time for Major Equipment (weeks) _____

Print Name _____ Title _____

Signature _____ Date (mm/dd/yyyy) _____

Application must be signed & dated by the customer contact or authorized third party. Electronic signatures are accepted. Typing your name above constitutes a valid electronic signature.

Standard Lighting Application

This page, and the documentation listed below, should only be submitted after project completion.

Project completion is defined as all equipment being installed and operable.

If applying for preapproval, submit all pages and documentation listed prior to this page.

Required Documentation for Completed Projects

Document Checklist for All Completed Projects:

- Project invoices**, showing the date and place of purchase, model/part numbers, quantities and unit costs of all equipment.
- Incentive Payment Request**, below, signed by the Ameren Illinois customer, with the certification box checked.
- Verification that an Illinois Commerce Commission (ICC) Certified Installer was used, or that the project was self-installed by the Ameren Illinois customer applying for incentives. This may be satisfied by completing the entry on page 2. For a full list of certified installers, visit www.icc.illinois.gov/emdb/ucdb/search and choose Authority Type, 'Energy Efficiency Installers.'
- Any documents listed in the Required Documentation for Application Submission (previous page) if not previously submitted, or if project information changed significantly since preapproval
- A summary of any specific changes since preapproval, and their rationale, if applicable.

Incentive Payment Request

I certify that all information provided is correct and complete. I have read, understand and agree to the program requirements and the Terms and Conditions set forth in this Application, and I agree to abide by these requirements.

By checking this box and signing below, I certify that I have authority to make these statements and submit this Application. All equipment is installed and operational (not placed into storage). **Applications will not be accepted as complete unless this box is checked and all below fields are completed.**
