

## Energy Efficiency PROGRAM

# 2025 Smart Thermostat Rebate Update

Beginning January 1, 2025, the Ameren Illinois Energy Efficiency Program can no longer offer smart thermostats at no cost to customers. However, eligible customers can receive a rebate of up to \$125, bringing the customer cost to just \$5.00. See below for some of our most popular smart thermostat models and their rebate amounts.

### Examples:

**GOOGLE NEST THERMOSTAT**  
\$129.99 MSRP

This chart is designed to be used as a tool to reference the varying product prices for ENERGY STAR® certified smart thermostats and is not inclusive of all smart thermostat models that are eligible for a rebate. Manufacturer suggested retail prices (MSRP) may vary based on retailer, region or manufacturer discounts. Customer's primary heating source must be supplied by an Ameren Illinois delivered fuel, natural gas or electric. Customers heating their home with propane are also eligible. Additional charges, terms and conditions may apply. Visit [AmerenIllinoisSavings.com/residential/smart-thermostats](https://www.AmerenIllinoisSavings.com/residential/smart-thermostats) for more details.
